Subject: application for absence due to illness

Sir,

Assalamualaikum, I am your (DDMS) student of Bangladesh University Of Business & Technology, beg to draw your attention to the fact that in 02 april 2019 I had an accident in road that injure my leg & foot and bring me to the hospital and after multiple stitches and lengthy dressing the open wound was closed. The doctor strictly advised complete bed rest for 20 days and not to expose the wound by going out and routine wise dressing that's why it is not possible to come into university to attend your class and lab.

Under the circumstances, I pray and hope that your honor would be kind enough to grant me the classes and lab attendance and consider the lab class marks. I assure you that, I'll attend rest of all lab and classes.

Your Obedient Student,
